Discover the most beautiful landscapes on the **Icelandic west coast** during an **8-day PONANT cruise**.

On **the edge of the Arctic**, between vast glaciers, vertiginous fjords, volcanoes and boiling geysers, **Iceland** offers a kaleidoscope of wild and romantic landscapes.

The first port of call on your cruise: the bay of Grundarfjordur, right near **Kirkjufell**. This **stunning cone-shaped mountain** possesses a unique charm and this will be an opportunity to take some beautiful photos.

Your ship will then reach **Grímsey**, a small, hard-to-reach island where, in certain places, the volcanic rock forms **magnificent basalt columns**. Birds such as guillemots and puffins reign here.

Finally, you will discover **Heimaey**. This is the only inhabited island in the Westman archipelago. It is an exceptional place composed of volcanoes and almost-desert landscapes, where fishing is the main food source.
